

## Community Input Needed for 2045 Regional Long-Range Land Transportation Plan for the Island of Kaua'i

The Hawai'i Department of Transportation (HDOT) is updating the Regional Long-Range Land Transportation Plan (Plan) for the Island of Kaua'i.

- The Plan, titled Federal-Aid Highways 2035 Transportation Plans for the District of Kaua'i, was last updated in 2014 ([Highways | Hawaii Statewide and Regional Federal- Aid Highways 2035 Transportation Plans](#))
- Since then, the island of Kaua'i has experienced changes in population, development, and travel needs.
- The Plan will address future land transportation needs for freight, motorists, transit, bicyclists, and pedestrians based on land use and socioeconomic projections through 2045.

### Public Meetings

Share your thoughts at one of the virtual public meetings.

A presentation will kick off each session.

- Tuesday, February 25<sup>th</sup>, 12-1 p.m., Microsoft Teams
- Thursday, February 27<sup>th</sup>, 6-7 p.m., Microsoft Teams

Can't attend the virtual meetings?

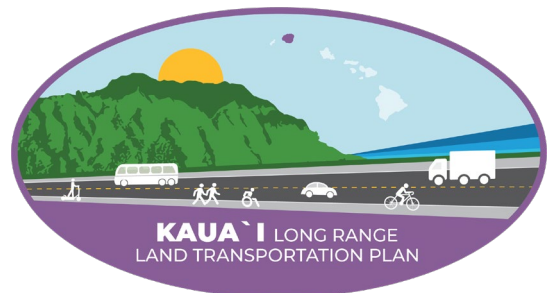

Scan the QR code to visit the project website and provide feedback through an online survey under the "Kaua'i" tab.
