Community Informational Meeting

The Hawaiian Islands Fiber Link project
– Building capacity for faster internet

Come hear about a proposed subsea and land segment cable system that will create more capacity for high-speed internet on Kaua'i. The Hawaiian Islands Fiber Link cable will ensure that Kaua'i and all of Hawai'i has updated infrastructure to provide equitable internet access for all.

Wednesday, March 5, 2025
5:00-6:30 pm
Kaua'i High School Cafeteria
3577 Lala Road
Lihue, HI 96766

*Free and open to the public
Refreshments provided*
